

DROPCARD WITH KEY TAG (2.125" x 4.5") - TEMPLATE

FRONT

BACK

You do not have to use our standard back format.

If you choose to make changes please include the following:

- URL where your card will be redeemed.
- 10-digit space for us to insert the unique Access Code.
- Brief instruction on how to redeem your card.

Please be sure to convert all images to CMYK, outline all fonts, and embed all linked images.

Due to the nature of plastic card manufacturing, images may shift slightly during the printing process. Please be sure to keep all text and borders within the type safety area. Please Contact your Dropcards™ representative for FTP access if your file is too large to email or upload via our online file transfer website.
